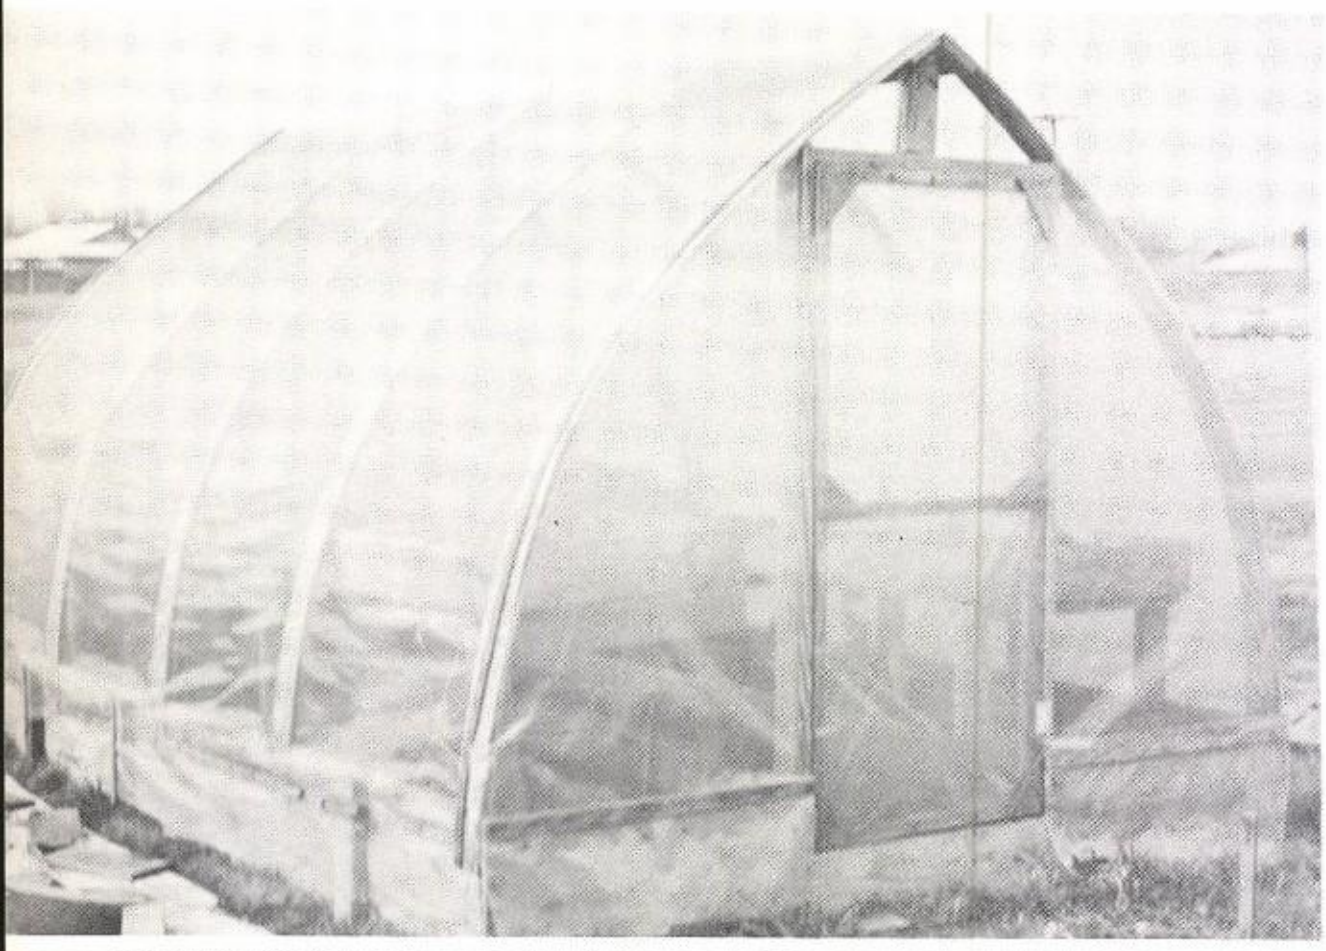
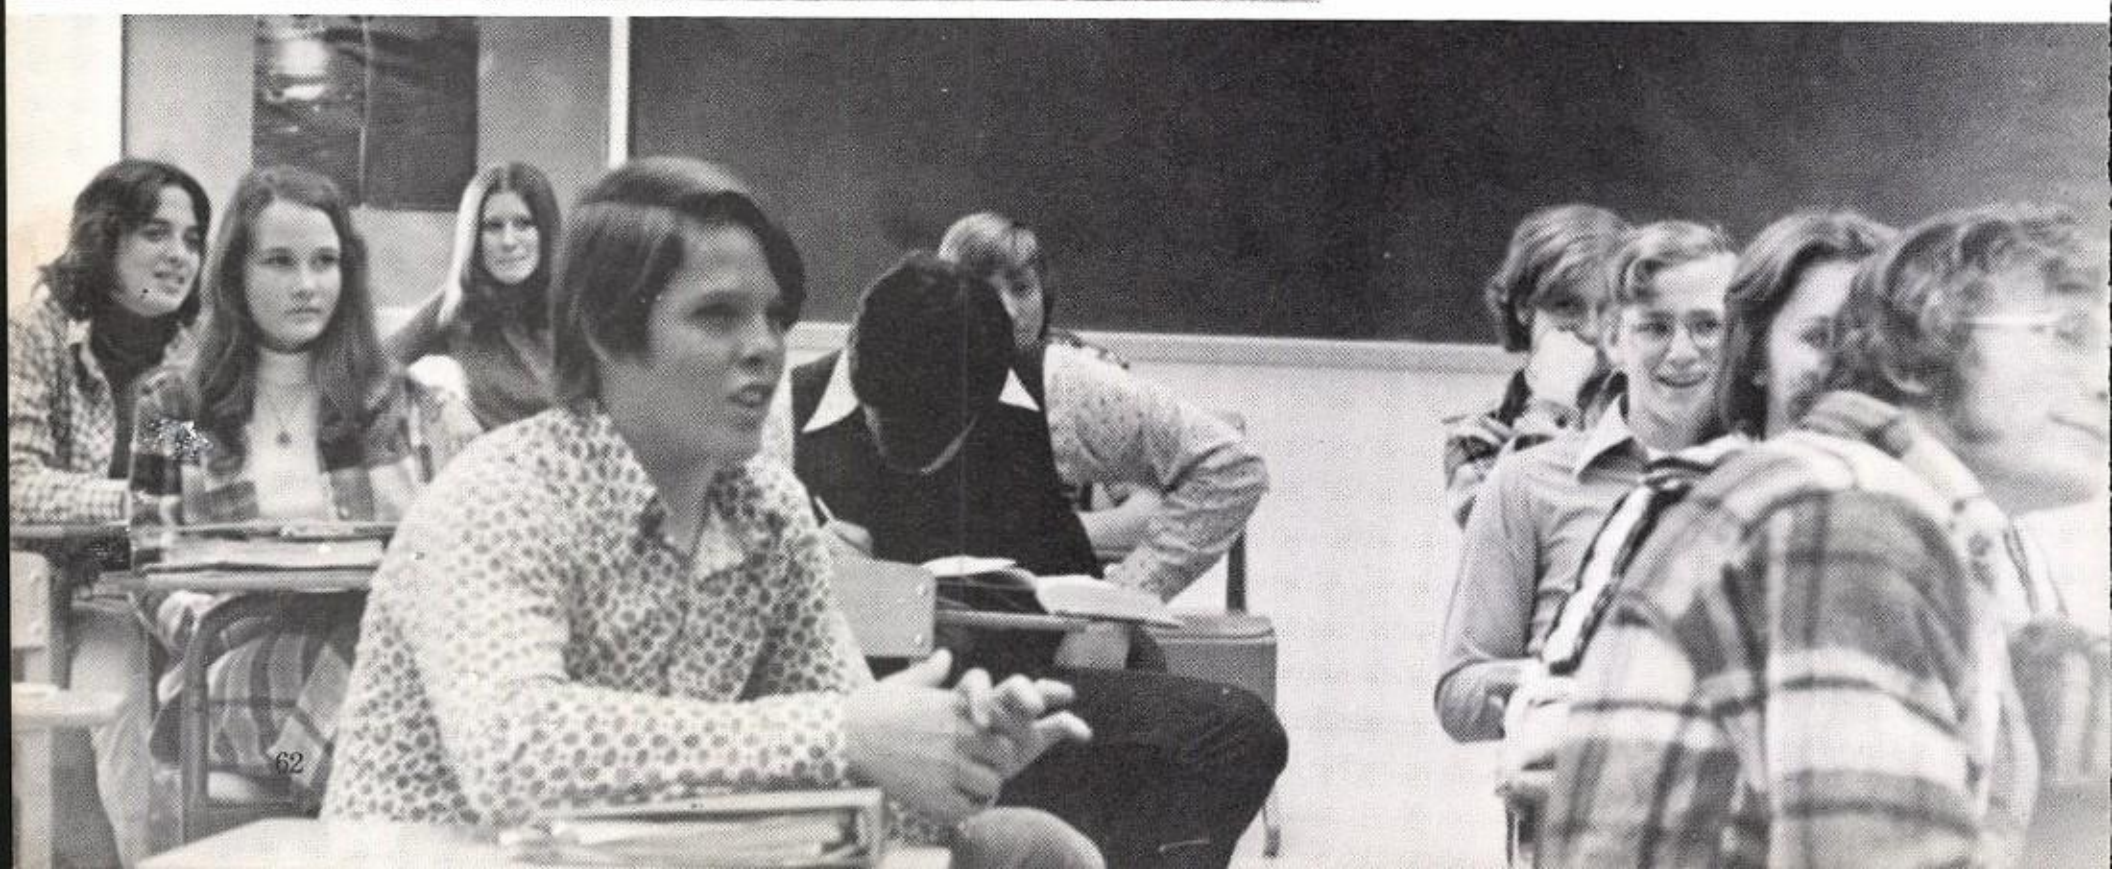
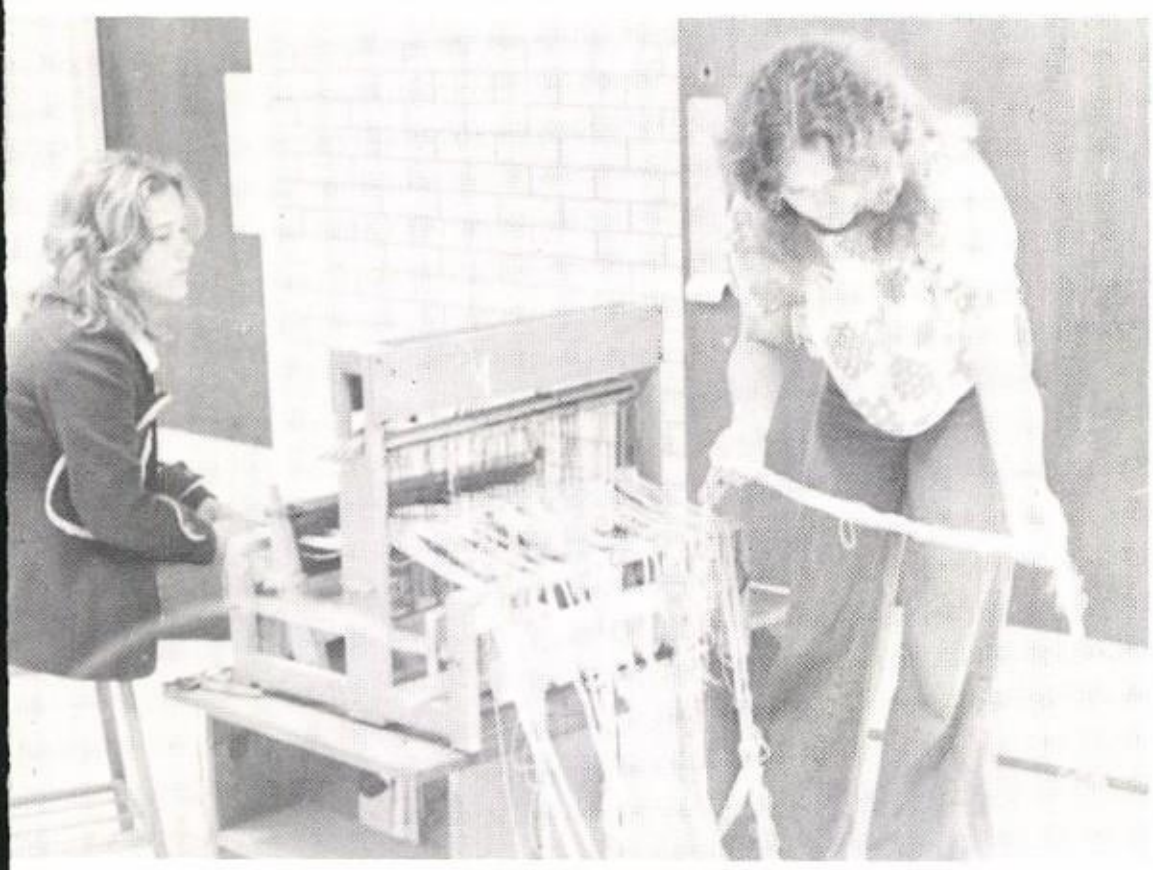
SPARTANS . . . . .



Spartans take part in all sorts of activities. Some of their "things" are looking at an amoeba in biology or taking a trip to the library to do their book reports. Some students may have the pleasure of working in the school store with Mr. Blount. Others may go after the "Spartan of the Year" award by working out on the football team. Also we have Mrs. Morgan with her oil painting class, along with Mr. Gabriel's construction crew which built its own greenhouse. Then we have students attending classes, where they are sometimes distracted.





. . . . . DOING THEIR THING!!!

THE SPEECH CLUB IN CALIFORNIA

The Scarborough Senior High Speech Club, headed by Penny Johnson, has really been going places this year. The squad has attended tournaments in New Braunfels, Beaumont, and New Orleans in the past. They outdid themselves this year when twelve contestants were sent to the Mira Costa High School Mustang Shebang in Manhattan Beach, California, a suburb of Los Angeles. When not at the tournament, the students enjoyed going to the beach and Disneyland, and seeing the sights of Los Angeles. The people who went to California were Beth Ballard, Sherry Cooper, Leigh Ann Haggard, Tina Linke, Marian Linscomb, Mark Loranc, Phylis McKinley, Michelle Monse, Mari Moore, Dawn Newcomer, Maureen Pippen, Ted Smith, and Penny Johnson, sponsor. The yearbook would like to thank Mark Monse for printing these pictures.

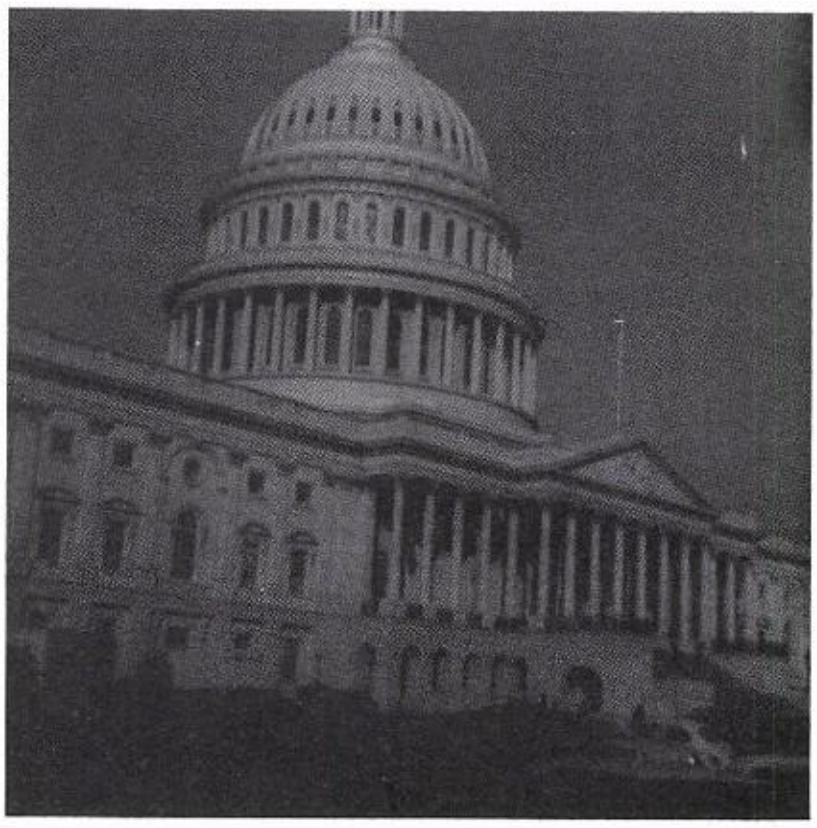
THE CLOSE UP TRIP TO WASHINGTON D. C.



The capitol

In the movie, *The Exorcist*, the priest jumped out Reagans' window and fell down these steps.

Participants in the Washington trip were Shelly Haggerton, Greg Rhodes, Lori Michel, Bun Hendrix, Terrell Clement, John Vogan, Jerry Thomas, Vicky Thomas, Donna Milburger, Brenda Albers, Jan Yeager, and Mrs. Smith.

Standing in front of the White House are Shelly Haggerton, Bun Hendrix, and Lori Michel.

The Archives

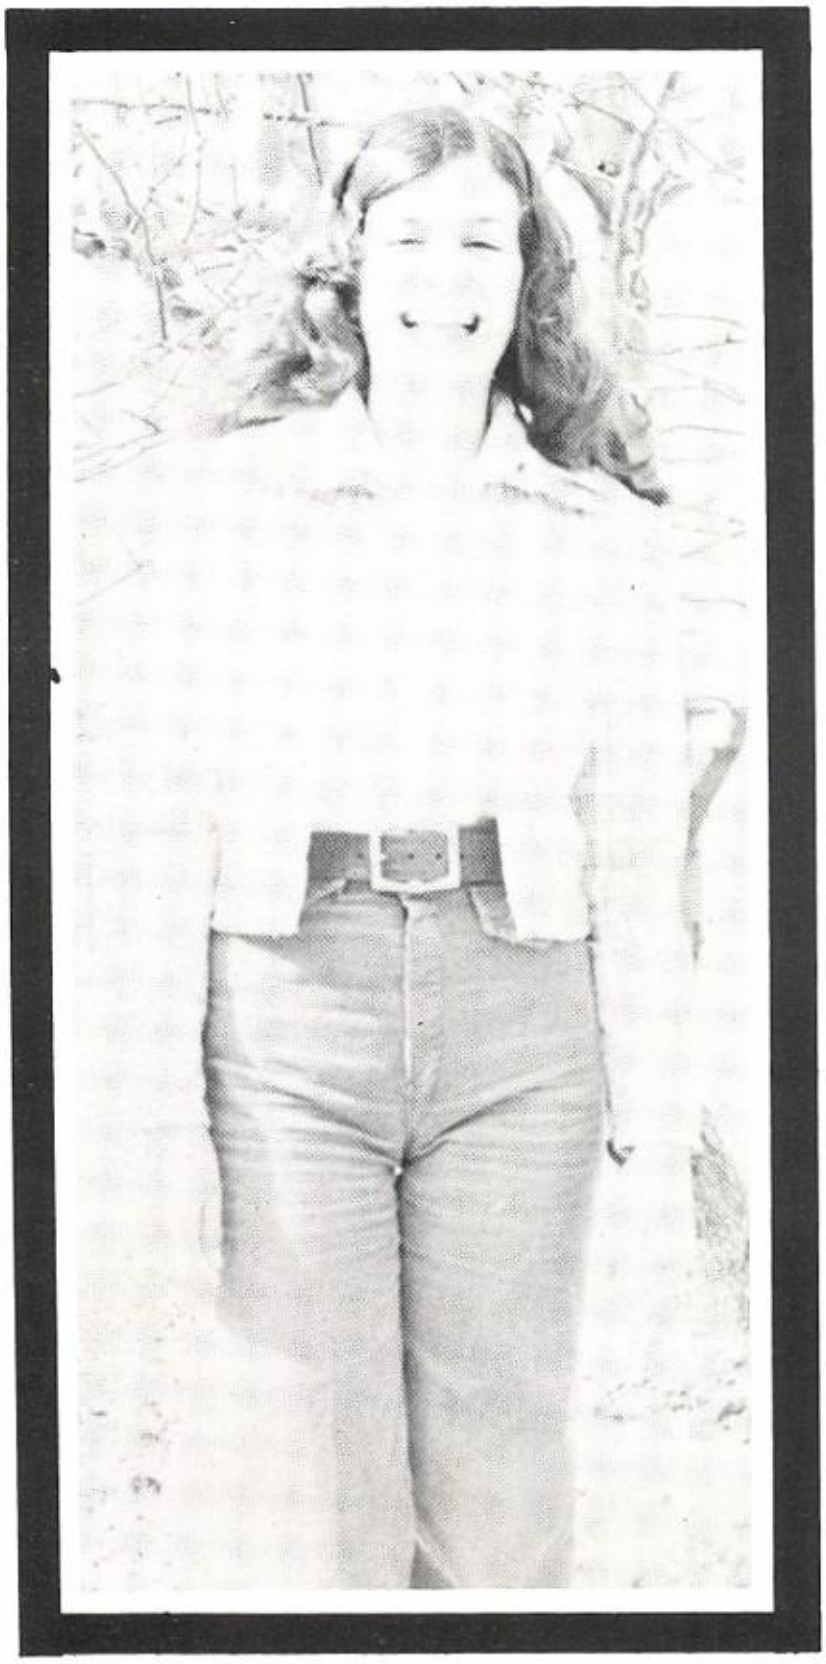
Seated on the steps of the Archives are (front row) Terrell Clement, Jan Yeagar, and Brenda Albers, (second row) Jerry Thomas, Shelly Haggerton, Bun Hendrix, Vicky Thomas, Mrs. Smith, and Greg Rhodes.

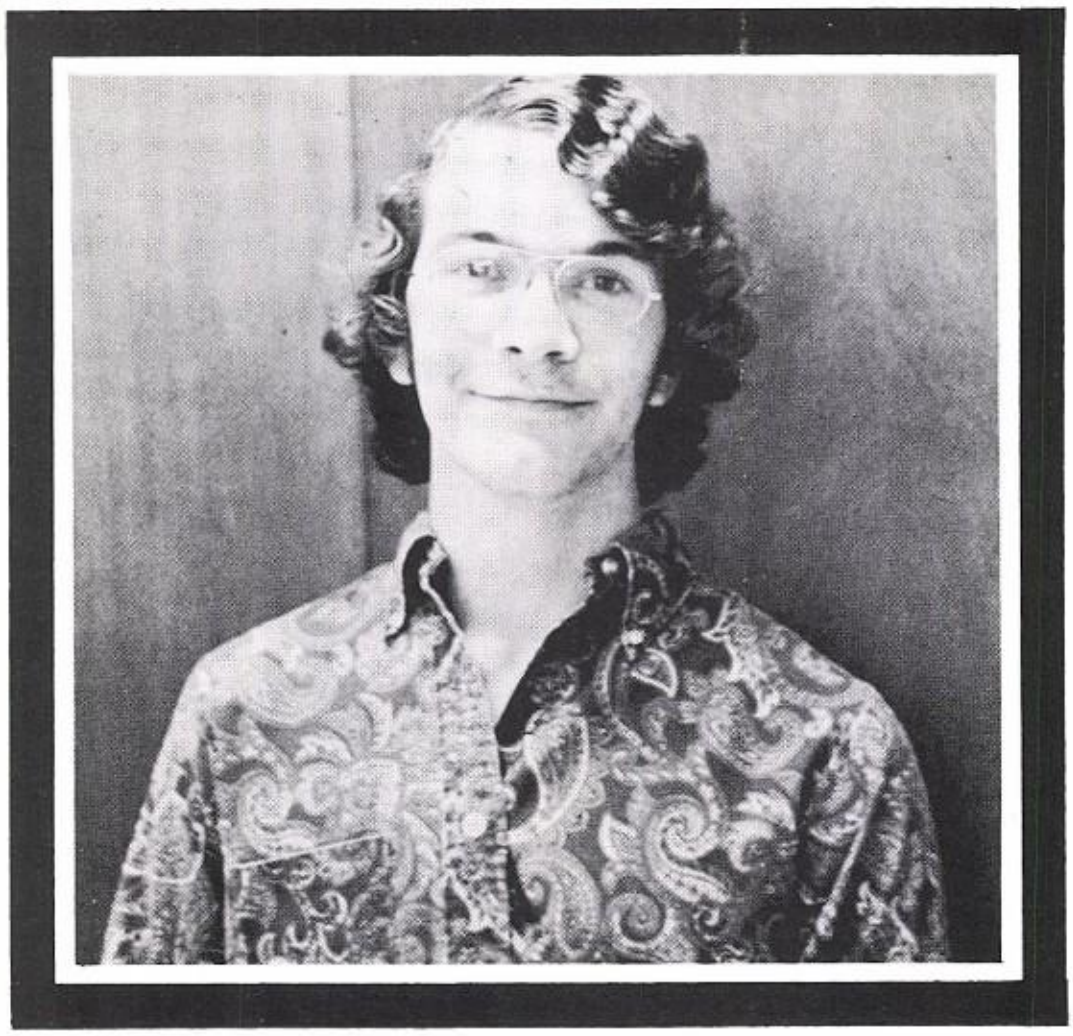
The Washington Monument

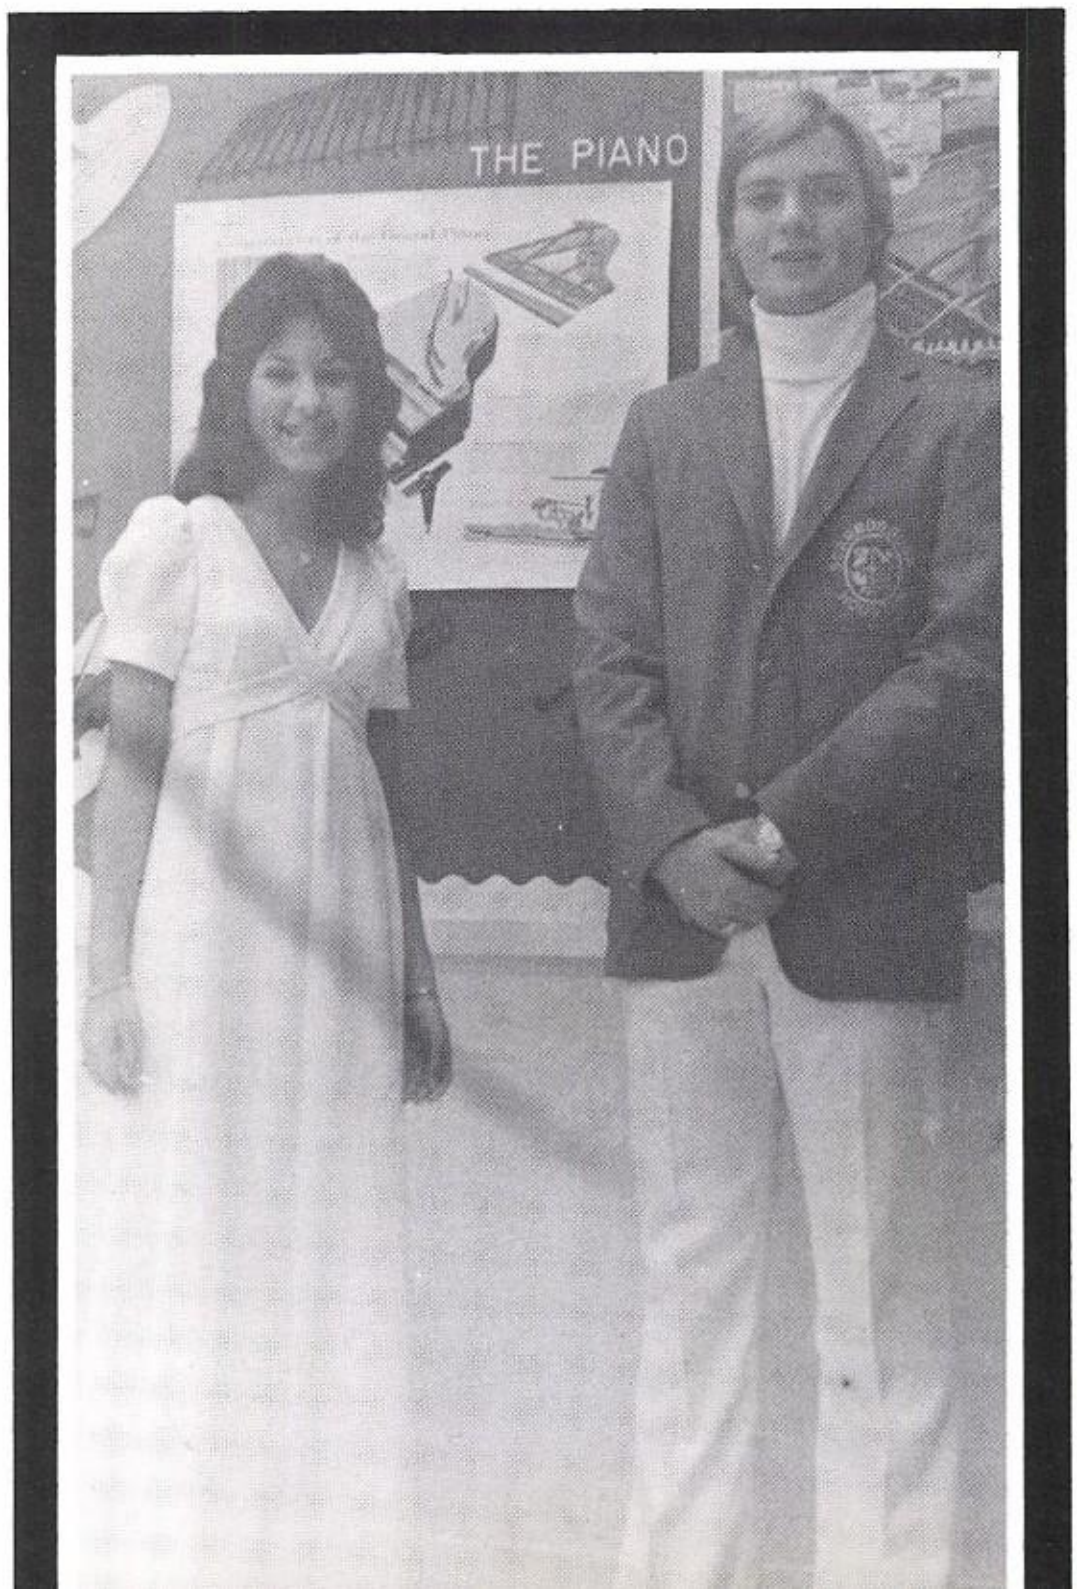
Participants attended a banquet and a dance the last night of the trip. The banquet was bloody, but the dance was fine.

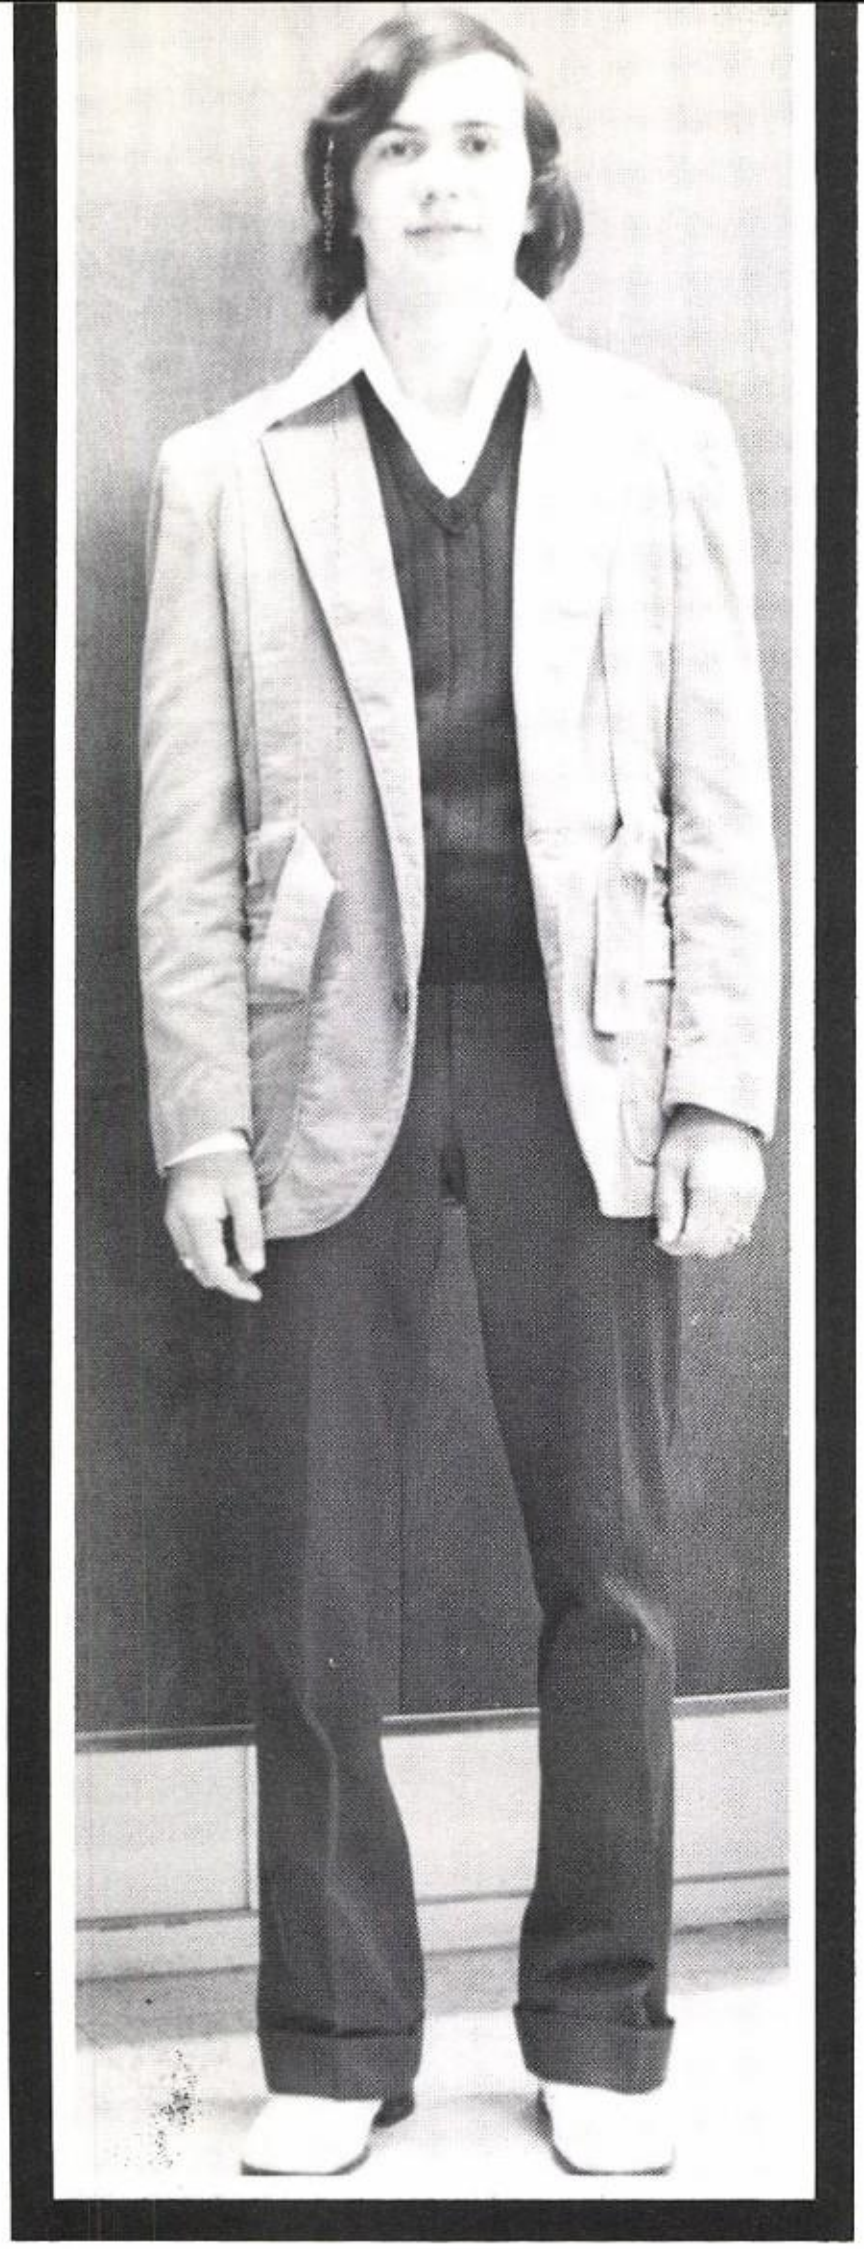
SPARTAN SUPERSTARS

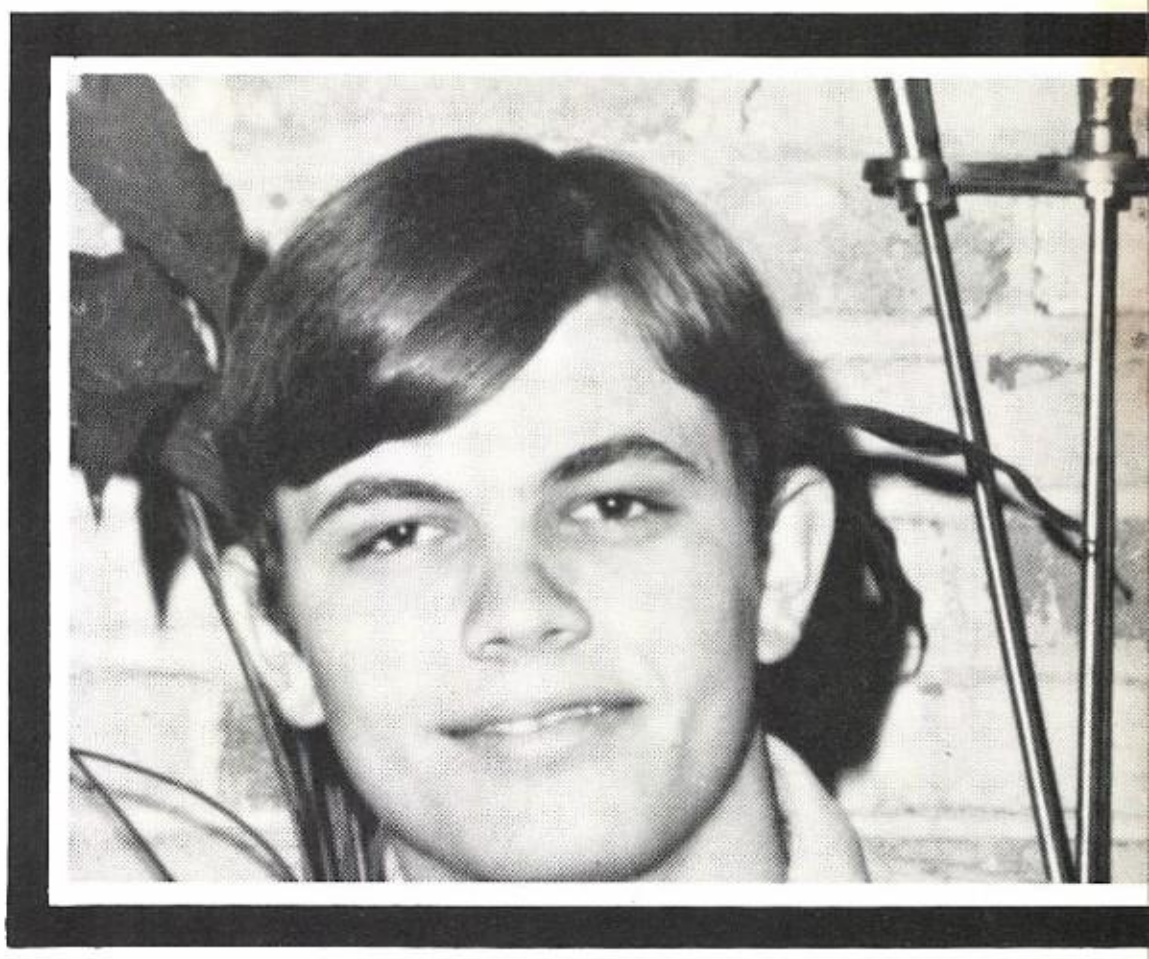
During the school year there are always those few outstanding students who do something a little extra. From Scarborough, Patzy Garza (below) was nominated from our district for vice-president of the state in the FTA. Robert Baldwin, a very talented choir member, made All-Region choir. Debbie Aguirre and Steve Byrd made All-Region choir.





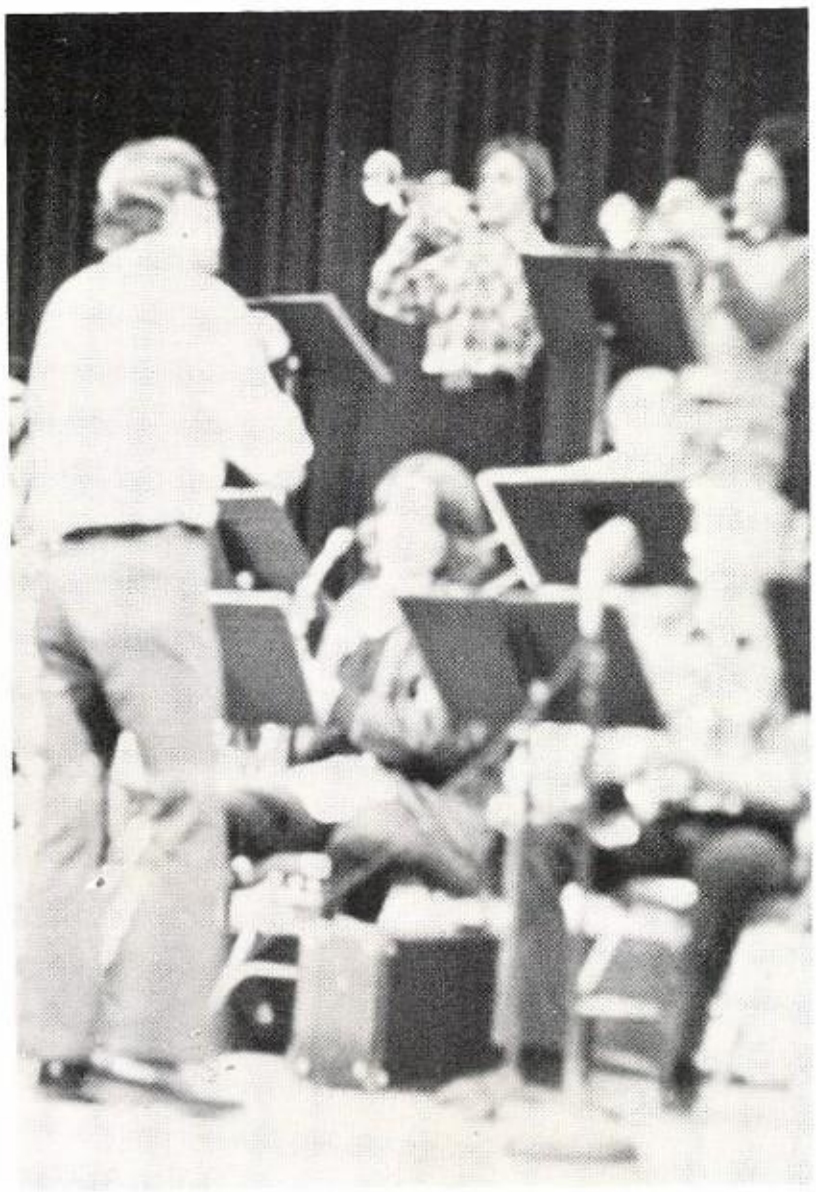






Bobby Field (above) was elected for Bill Archer's Student Intern to Washington. Ranking the highest on the Betty Crocker Scholarship test was Gary Nelson! Melissa Macdougall was a National Merit Scholarship Finalist by scoring high on the PSAT and SAT tests. Congratulations, Spartans!!

Saxophones: Billy Higgenbotham, Steve Green, Randy Souther, Mike Souther, Stephen Tillery; Trombones: Lawrence Piercy, Brad DeMoss, Phillip Steadman, Meredith Brewer; Trumpets: Jim Kean, Steve Neveu, Robert McKay, Richard Hall; Piano: Pat Gathright; Drum: Kerry Georges; Guitar: Ron Riley, Mike Hoblinski; Bass: Brit Walker.

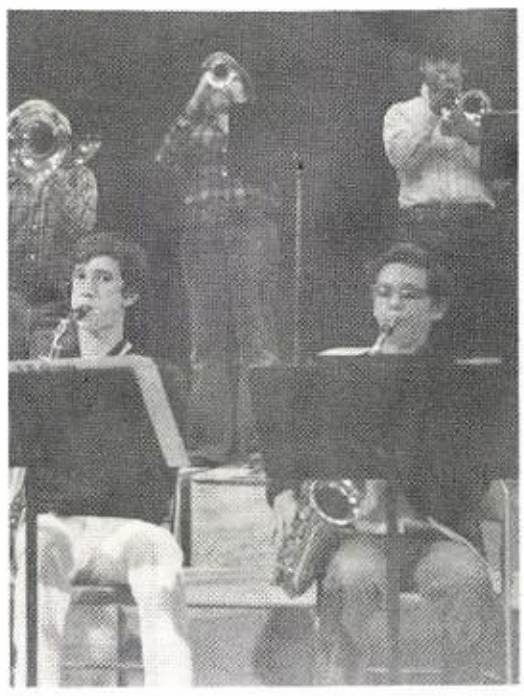


SENIOR HIGH STAGE BAND

If you arrived at school a little bit early during the winter months you could hear the Senior High Stage Band practicing in the auditorium. It was directed by Mr. Odie Fuller. The Stage Band attended many contests and appeared on "Spotlight" on Channel 2. They certainly deserve a lot of credit for their hard work and accomplishments.

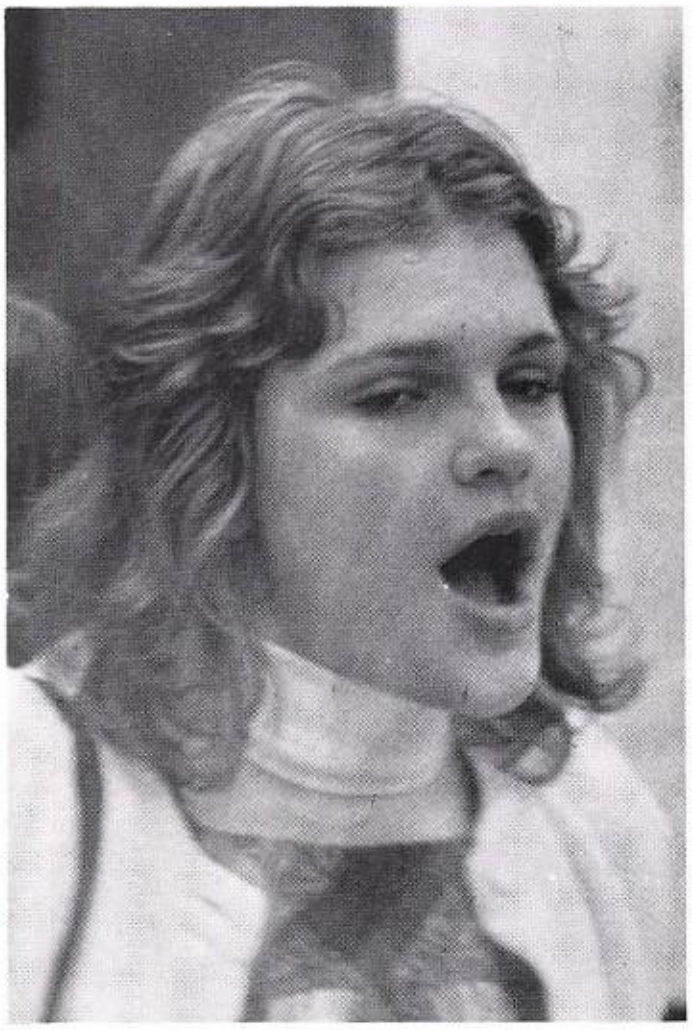
JUNIOR HIGH STAGE BAND

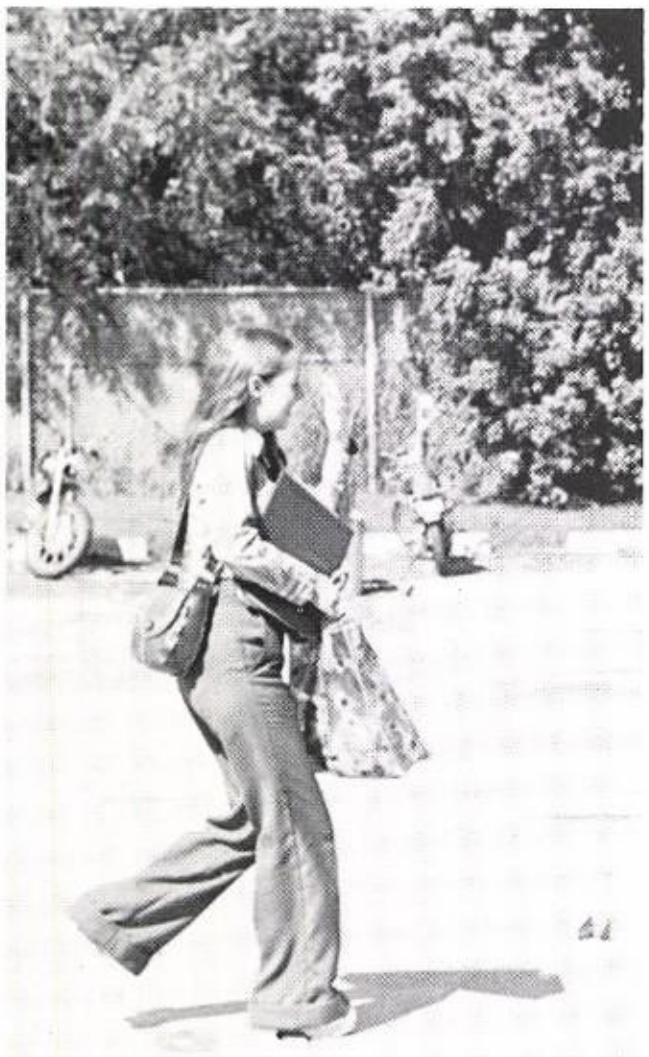
The Junior High Stage Band is directed by Miss Mary Thompson. The members were very dedicated and practiced hard to get ready for their many contests. They played popular songs and jazz tunes.

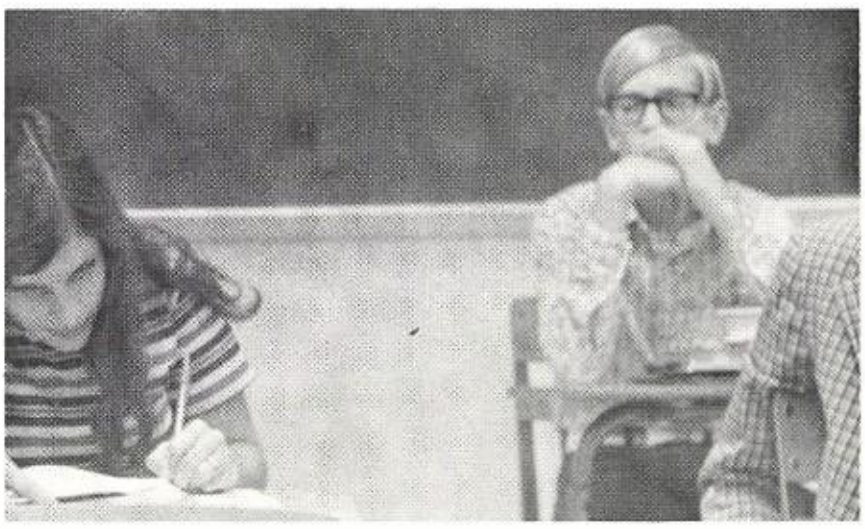


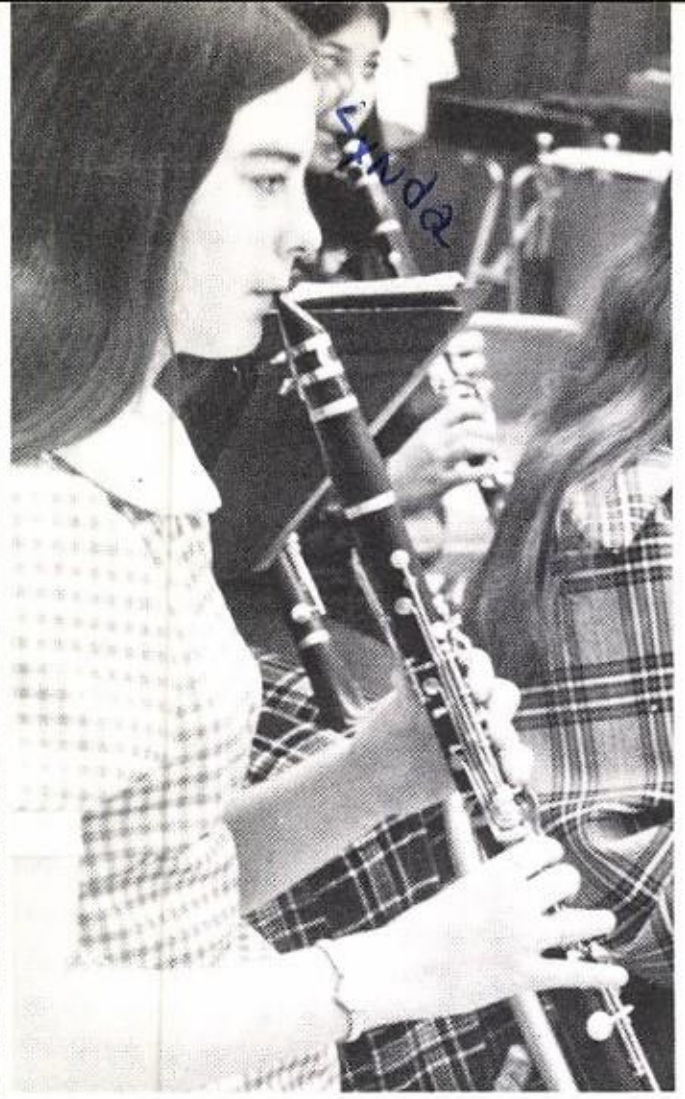
Saxophones: Jeff Crandal, Abel Casas, Wade Gillen, Larry Canik, Mike Walla; Trombones: Mario Ramos, Tim Smith, Mark Roughton, Chris Wood; Trumpets: Joel Stockstill, Glenn Petru, Kathy Aschenbeck, Larry Cerda, Randy Smith; Piano: Paul Kessler; Drum: Kevin Stanley; Guitar: Greg Gathright; Bass: Dale Farmer.

Expressions



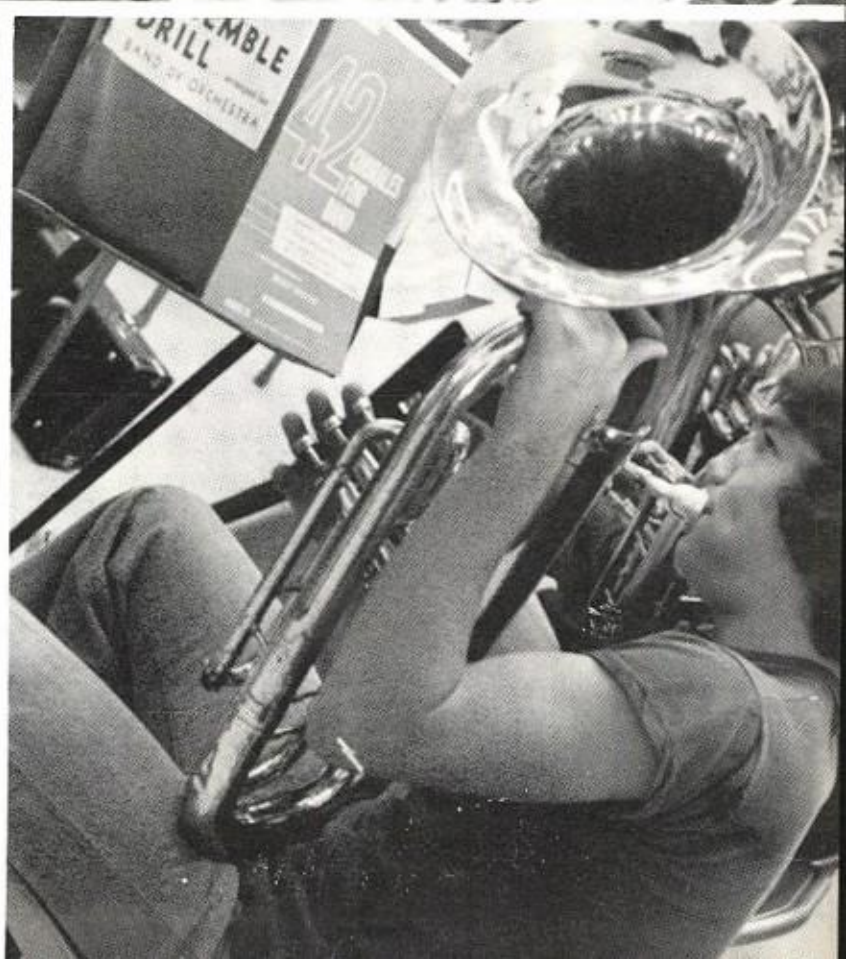


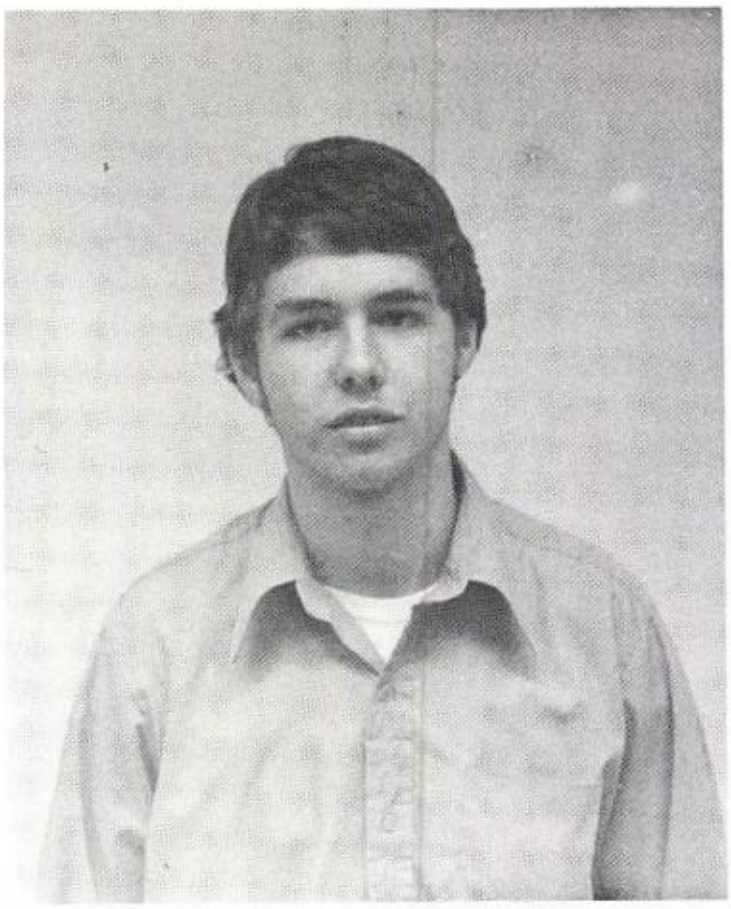


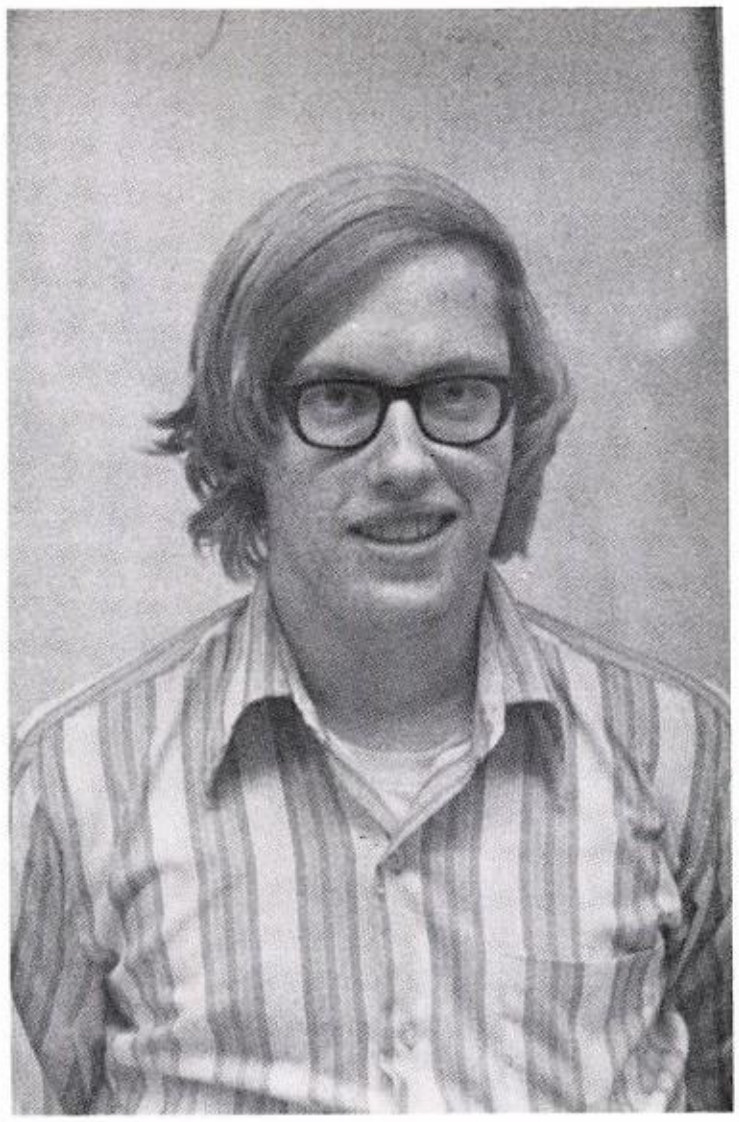


1974 JUNIOR HIGH BAND

Lead by Miss Mary Thompson, the Junior High Band played a big role in our spirit scene. They have played at all the football games, adding great enjoyment to the halftime with their jazz and march music. The band marched in the Houston Livestock Show and Rodeo Parade, performed for the Strake Jesuit Drill Squad, and participated in the Houston Independent School District Concert Band Contest. Along with all this, there are many students who participated in the Houston Solo and Emsemble Contest.

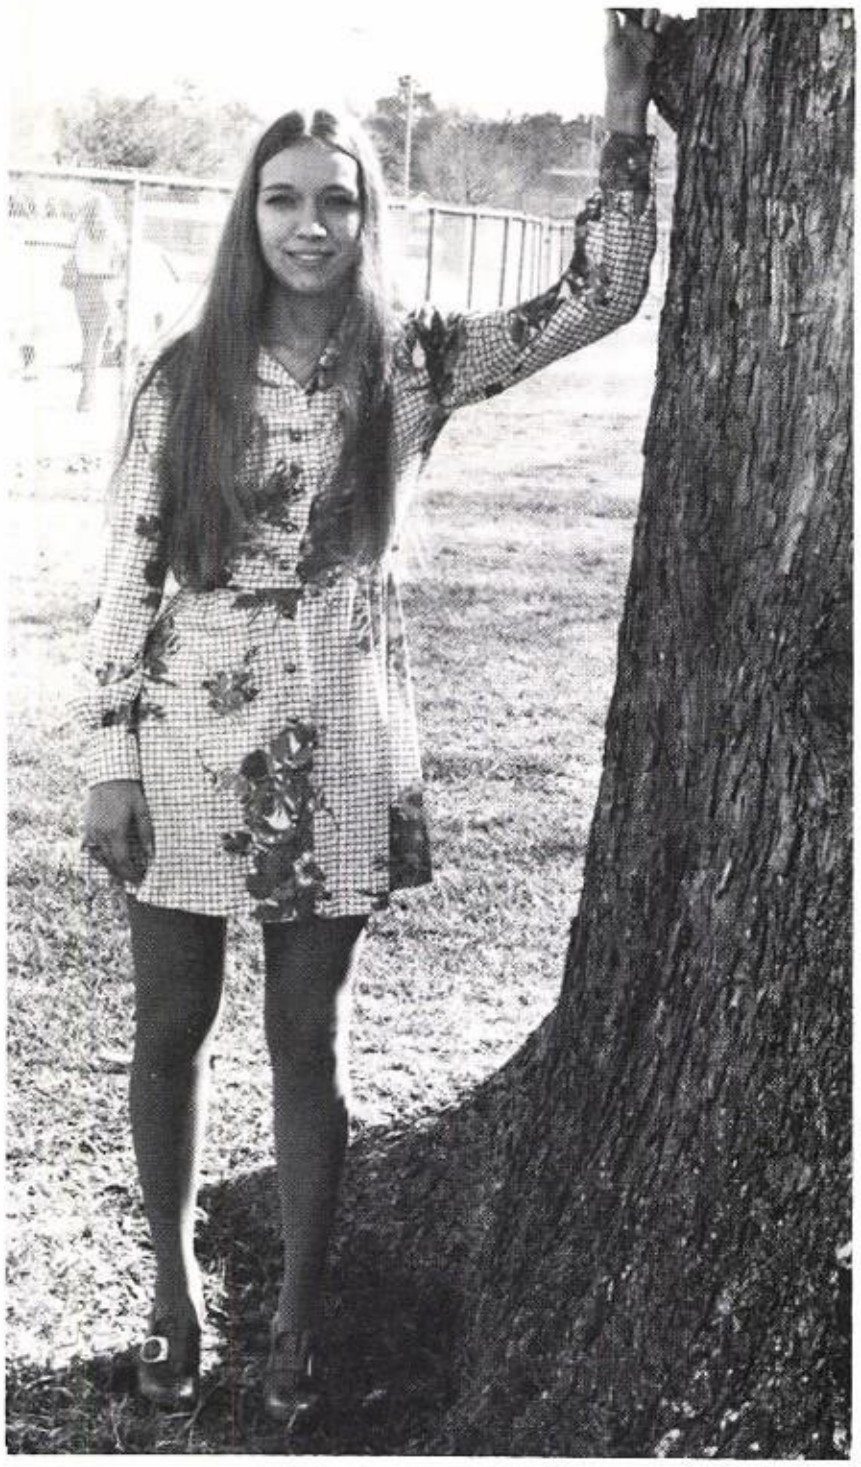






QUILL AND SCROLL

Quill and Scroll is an honorary journalism society. Members pictured are (above) Dale Gadbois, (below) Kathleen MacDermott, (left) Mari Moore.



Susan Ong is shown here with the pecan tree that was planted in 1869 by her great-uncle. The metal stake was used to hang goats, cows, and sheep for butchering. When the tree, which had been growing next to the house, grew too big, the house was moved farther back, thus allowing the tree to grow. The large tree always provided a bountiful crop of pecans. The tree is on what is now Scarborough's campus.

Speech Trophy Winners

Dawn Newcomer won the first place trophy in prose and poetry reading at the R.E. Lee H.S. speech tournament. Beth Ballard won first place in Novice Oration at the Klein H.S. tournament. Perry McConnell won the Highest Speaker Point Award in Standard Debate at the Klein H.S. tournament, and the debate team of Dawn Newcomer and Perry McConnell won the third place trophy in Standard debate at the same tournament.

Locker decorating, which is performed by the sundowners, is a big and usual happening to all football players. The boys receive everything from rubber duckies to cookies, bubble gum and candy. Serving as editor of the yearbook was quite an experience. It was kind of slow getting started, but after we found a publisher we really had to work. Each day we worked on our layouts, some of us just starting and the rest finishing. Of course there were other things to get done, such as book work, taking pictures, and printing pictures. Yearbook editor isn't all work, though, it is really a blast.

ORION EDITORS

Shelly Haggerton

Being editor of the yearbook was one of the largest responsibilities I have ever had. It has also given me a great respect toward the faculty and my fellow students, all making Scarborough very meaningful to me. There were a lot of others who worked hard to make a good yearbook so that in the future you may look back through the pages and see some of your happiest moments. My only regret is that I am a senior this year and won't be able to come back to work on it next year. It was a lot of fun.

GERONIMO

It ain't funny, neither!

I think it's funny.

Contests included Solo and Ensemble held at St. Thomas University and the Concert an Sight reading held at Cypress Fairbanks.

The choir performed with the Houston Sym[illegible] Orchestra in May for a children's concert. The year closed with the annual Spring Tour.

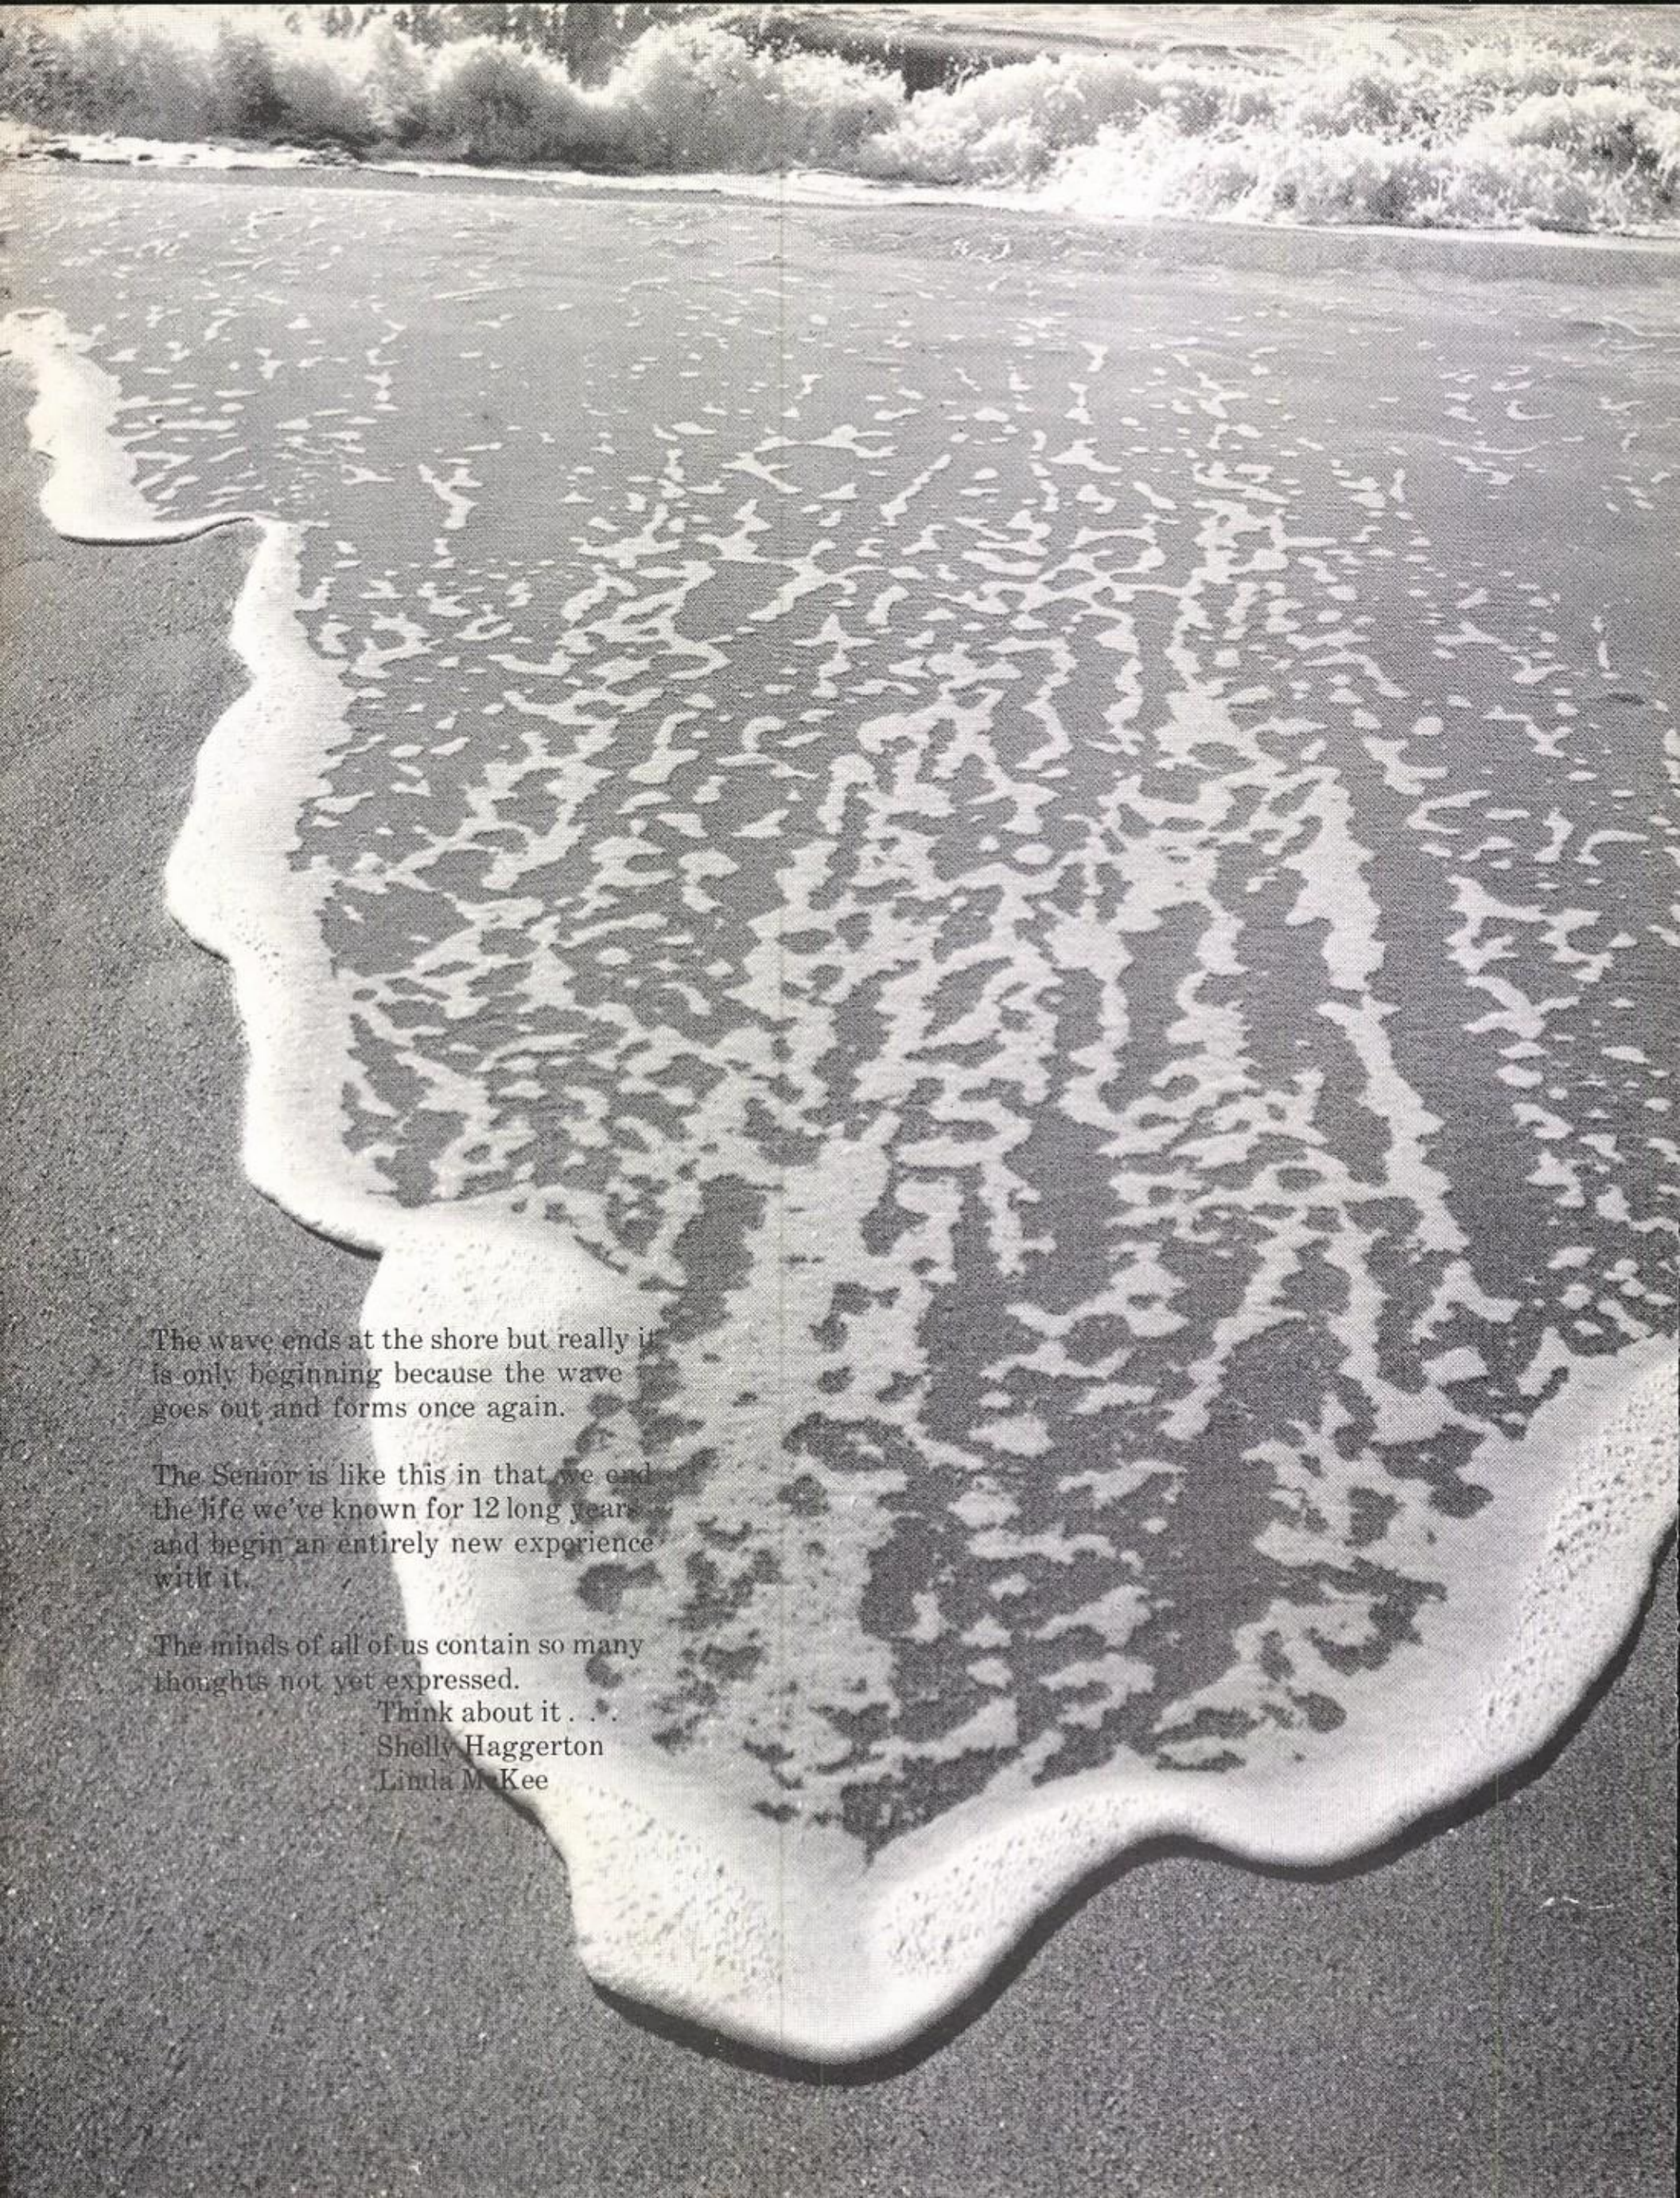
FACES



The wave ends at the shore but really it is only beginning because the wave goes out and forms once again.

The Senior is like this in that we end the life we've known for 12 long years and begin an entirely new experience with it.

The minds of all of us contain so many thoughts not yet expressed.

Think about it . . .

HIGH SCHOOL SENIORS

WHERE WILL YOU FIND YOURSELF IN THE NEXT YEAR OR TWO?

The Air Force Reserve knows that young men and women today want straight answers to their questions. Big questions such as "where will I find myself in a year or two?" As far as we're concerned, the best place you can find yourself right now is in school.

Continue your education for as long as you can. Then, when you have that all important diploma, that's the time to explore the vast world of opportunities the Air Force Reserve can offer you. Opportunities to learn a new skill; opportunity to make extra income while you pursue your new found skill in the Houston area. Most important of all is the opportunity to do a job that's not only important to you, but to the future of your country as well.

So if you want to find yourself a real future, find yourself in the United States Air Force Reserve.

For further information, call your local Air Force Reserve Recruiter at 481-0641, or write to:
